ONE DAY REGISTRATION FOR PRIMARY AND SECONDARY SCHOOL ATHLETES DURING THE SCHOOL YEAR IS \$1.00. *(Applies only for NLAA sanctioned events which are organized for schools exclusively and school grades are used for determining the age categories. Affects non-members only.)* During the school year schools may join as associate clubs for \$20.00. All school athletes will then be considered NLAA members for the duration of the school year, and may compete under their school name in NLAA sanctioned events. Membership Benefits

Membership in the NLAA allows an athlete to compete in our sanctioned events. Every sport organization pays insurance as a corporate body on behalf of event organizers in case of legal liability or mishaps. Without insurance individuals would run the risk of unnecessary and very costly personal involvement in legal suits. Applicable fees help to cover these costs and ensure that people will be willing to volunteer their time.

There are opportunities to benefit from courses and clinics - as an athlete, official, or a coach. The NLAA also supervises events in order to insure that rules are followed and criteria maintained on an even basis throughout the province. Making provincial and national teams is also possible with full NLAA membership. The NLAA also supervises Provincial Events - Road Running and track points competitions, and all Road, Track, and Cross-Country Championships. Call 576 -1303 for more information.
